## Cut the rope experiments level 5- 20

How can you beat Cut the Rope Experiments level 5-20 at Bath Time? This page contains the 5-20 level solution in episode 5 (Bath Time) of the popular iOS game and Android Cut the Rope Experiments. This step-by-step procedure will guide you through every part of this game and help you with the solution to complete this level with 3 stars. Release the right button. And press again when it is directly above om Name. Then release the other button to the left of the screen. And take the second star. Allow the water to drain completely. Cut the top rope. Hit the star. Then cut the rope when it swings towards om Nom. Don't

For the video game, see Cut the Rope (video game). Cut the RopeLogo from the original Cut the RopeDeveloper(s)ZeptoLabPublisher(s)Chillingo (original Cut the Rope only), Activision (Cut the Rope: Triple Treat), ZeptoLab (all other titles)Platform (s)iOSAndrWindowsPhoneLeapMotionBlackBerry 10S [1]Nintendo DS (DSiWare)Mac OS XBrowser[2][3]WindowsBlackBerryNintento 3DS (Nintento eShop)Chrome OS[4]Firefox OSNook[5]Release October 2010 Original version October 1, Holiday Gift 2010 December 2010 Experiences August 2011 Time Travel April 17 , 2013 Cut the Rope 2, 19 December, 2013 (iOS) March 28, 2014 (Android) My Om Name December 18, 2014 (iOS) Cut the Rope: Magic December 17, 2015 Genre(s)Puzzle logicMode(s)Single-player Cut the is a series of physics-based video games based on Rope developed by the Russian entertainment company ZeptoLab for several platforms and devices. It consists of the original Cut the Rope (2010) published by Chillingo, Cut the Rope: Holiday Gift (2010), Cut the Rope: Experiments (2011), Cut the Rope: Time Travel (2013), Cut the Rope 2 (2013 iOS, 2014 Android), My Om Name (2014 iOS, 2015 Android), and Cut the Rope: Magic (2015). The goal of cut the Rope games is to feed the candy of a small green creature named Om Nom while collecting stars. By May 2015, Cut the Rope games had been downloaded more than 600 million times[6] and had surpassed one billion downloads in 2018. [7] Releases Cut the Rope (2010) Main article: Cut the Rope (video game) Cut the Rope, the first game in the series, originally released on October 4, 2010. A native (HD) version of the iPad was released on October 6, 2010. This was followed by the release of a free version with fewer levels for each device, called Cut the Rope Free and Cut the Rope HD Free respectively. In an interview, Semyon Voinov said that Om Nom was originally going to have a boyfriend who appeared in this game, but he was discarded. Cut the Rope: Experiments is out August 4, 2011 as part of a sequel to Cut the Rope. Although its gameplay and presentation closely match that of Cut the Rope, the sequel features new as well as a new script and characters. The teacher, for example, provides running feedback[10] throughout the game as players unlock new levels and collect hidden photos that reveal more information about Om Nom's character. Cut the Rope: Time Travel (2013) Main article: Cut the Rope: Time Travel The third sequel, Cut the Rope: Time Travel, was released on April 17, 2013. He sees Om Nom go back to the days of his ancestors, which means in terms of gameplay that players now feed candy to two monsters rather than one. Cut the Rope 2 - Unexpected Adventure (2013 iOS, 2014 Android) Cut the Rope 2 was released on December 19, 2013 for iOS devices. It extends to previous games with a greater focus on the story, additional monster characters and a more dynamic environment. The Android version was released on March 28, 2014 on Google Play[12] and April 3, 2014 on Amazon AppStore. Unlike the iOS version, Cut the Rope 2 for Android is free and has a card as a structure instead of level packs. Cut the Rope: Triple Treat (2014) Cut the Rope: Triple Treat was released on March 25, 2014 for Nintendo 3DS, including levels from the previous three Games Cut the Rope, Cut the Rope, Cut the Rope: Experiments and Cut the Rope: Time Travel. [14] The 3DS version is published by Activision. My Om Nom (2014 iOS, 2015 Android) My Om Nom was released on December 18, 2014 for iOS devices and 2015 for Android devices. In this game, the player has his own Om Name to feed, dress up and play with. It includes some simple games to play with Om Nom and it is reminiscent of the Tamagotchi franchise. Cut the Rope: Magic (2015) Cut the Rope: Magic was released on December 17, 2015 for iOS and Android devices. [17] This game sees Om Nom being transported into a storybook world where levels involve magical elements as well as fighting an equally candy-loving wizard. Magic also gives Om Nom a new element of transformation, allowing it to shrink or transform into a completely different animal. [17] [18] The game also uses a map element seen in the Android version of Cut the Rope 2. Om Nom: Merge (2019) Om Nom: Merge was released on November 28, 2019 and is the first video game entry in four years, thanks to the success of Om Nom Stories. Om Name: Run (2020) Om Nom: Run is an endless mobile runner game released on Google Play Store and App Store on February 27, 2020. Level Packs All games in the Cut the Rope series (with the exception of Cut the Rope 2 for Android and Cut the Rope: Magic) group content in boxes or level packs. The boxes of the original Cut the Rope contain 25 levels each, the cut the Rope 2 boxes contain 24 levels each, and the boxes of Cut the Rope: Time contain only 15 levels each. Most boxes introduce a new element into the game, challenging the player with a new set of game mechanics. New boxes continue to be added from time to time through updates. The following table summarizes the number of and levels in each Cut the Rope game, starting in April 2017. Number of Boxes Levels per Box Total Achievements total Stars Total Stars Total with Superpowers Cut the Rope 18 25 76 (with Candy Feast and Candy Flick) 425 1275 1700 Cutting the Rope: Experiments 8 25 28 20 0 600 800 Cut the Rope: Time Travel 12 15 (except Parallel Universe) 42 185 555 740 Cut the Rope 2 7 24 25 168 504 - Cut the Rope : Magic 8 varies (at least 15) 8,200,600 - Om Nom's Quest 10 100 22 1.00k 3.00k 4.00k Cut the Corde level packs Cardboard Box. Cloth box. Box of aluminum foil. Magic box. Magic Box was released on April 5, 2011. Valentine box. Valentine Box was released on February 14, 2011. Invisible box. Invisible Box was released on March 25, 2015 for iOS - March 26, 2015 for Android. To unlock this level pack, you have to complete all the levels with all the stars, get all the achievements, and then do a secret action with the spiders. Toy box. Toy Box was first released in July 2011. Cosmic box. Cosmic Box was released on December 16, 2010. Toolbox. Toolbox was first released in October 2011 buzz box. Buzz Box was released on December 20, 2011. DJ Box. DJ Box was released on April 25, 2012. Scary box. Spooky Box was released on August 23, 2012. Steam box. Steam Box was released on January 10, 2013. Lantern box. Lantern Box was first released in February 2013. Cheese box. Cheese Box was released on July 26, 2013. Pillow box. Pillow Box was released on June 11, 2014 for Android - June 17, 2014 for iOS. Mechanical box. Mechanical Box was released on March 25, 2015 for iOS - March 26, 2015 for Android. Home In addition to its commercial success, Cut the Rope has been very well received by critics. He has a score of 93 on Metacritic, stating universal acclaim. Cut the Rope: Experiments achieved an overall metacritical score of 85 out of 100.[20] Cut the Rope: Time Travel — a score of 84[21] and Cut the Rope 2 a score of 81. Adaptations, spin-offs and merchandise Om Nom Stories, an animated web series on ZeptoLab's YouTube channel and sold to several children's streaming sites, is based on the game series and revolves around the life of Om Nom out of the game. In July 2011, ZeptoLab and comic book publisher Ape Entertainment announced the release of a series of comics as a standalone app. The comics tell the story of the candy-eating monster Om Nom and introduce new characters. The character Om Nom became the subject of a viral video,[24] plush toys,[25] and a Mattel Apptivity game. [27] In August 2014, ZeptoLab and McDonald's Europe announced a multi-market happy meal promotional campaign, which included various kitchen accessories on the subject of Cut the Rope, such as banana separator and centrifuge. Hungry for fruit and pleasure? was the key to the campaign. As part of the promotion, ZeptoLab also released Cut the Rope: Hungry for Fruit in June 2015, ZeptoLab announced that they had partnered with Entertainment for a feature film based on the games, entitled Om Nom: The Movie, which was due to be released in 2016. However, it never came to fruition. [28] See also List of the most downloaded Android apps References -- Behind the Scenes of Cut the Rope for HTML5. Cut the Rope. It's ZeptoLab. Web. April 1, 2012.
